

Innovation Voucher Fund

New Brunswick Research Organizations

The list below are the research organizations that are eligible to collaborate under the NBIF Innovation Voucher Fund. While it is helpful to identify the organization and/or researcher you would like to work with, doing so has no bearing on the selection process. If your company is successful in obtaining an innovation voucher, NBIF will assist in finding the right research for you and your company.

1. Atlantic Cancer Research Institute
2. CCNB
3. Dalhousie Medicine NB
4. Huntsman Marine Science Centre
5. Mount Allison University
6. Northern Hardwoods Research Institute
7. St. Thomas University
8. UNB
9. Université de Moncton
10. Valorēs (IRZC)
11. New Brunswick Community College (NBCC), Fredericton
12. RPC Science & Engineering

If you are a researcher or research organization in New Brunswick and are not on this list, please contact us.
